Umpire Demeanor

Some of the recent feedback received on how umpires are relating to club officials and players is disturbing. As umpires we must display the highest levels of honesty, integrity and professionalism at all times.

As umpires we expect to be treated appropriately and professionally. It is a two way street though with clubs, teams, players and officials.

Runners & Water Carriers

- Runners
 - Runners are to deliver a message and immediately leave the field
 - Runners who are “coaching” or loitering on the field are to be asked to leave the field immediately by the field umpire
 - If a second instance occurs field umpire is to pay a free kick against the runner for interfering with play

Field Umpires can order the runner from the field ground if they feel the runner is on the ground too much. (YELLOW Card initially. RED Card for a further instance in the same match)

- Water Carriers (Blue or Pink vest)
 - Water carriers are to deliver drinks only and leave the field
 - Water Carriers should only enter the field when play is at the other end of the ground
 - Water carriers are not permitted to act as a 2nd runner & deliver messages with drinks
 - Water carriers who are loitering on the field and not passing their drink bottle around to players are to be asked to leave the field immediately
 - Penalise as above for Runners

SANFL Schools – Rules Matrix

There is one set of rules for SANFL Schools matches (they differ slightly from SANFL Juniors)

Reminders

- Match Day Guide – please consult your Match Day Guide and confirm in your own mind you are fully aware of the Match Conditions applying to your match
- Schedules – availability in Schedules needs to be updated by 5pm Friday for the following weekend's matches. Umpire coaches/administrators are always working a week ahead on appointments
- Ambulances – there have been instances recently where injured players are being treated behind the goals or outside the boundary and an ambulance has pulled in near the injured player to transport them away for further treatment. Whilst not encroaching on the field of play or interfering in play common sense suggests that the match should be stopped until the ambulance has moved away.
